About Me

I am Amar Kumar, a MERN Stack Developer and BCA student with practical experience in building full-stack web applications. I specialize in creating responsive, user-focused solutions using React, Node.js, and MongoDB. I'm driven by a strong interest in solving real-world problems through code. My background in teaching and video editing also enhances my communication, creativity, and ability to deliver engaging digital experiences.

Education

Bachelor of Computer Applications (BCA) – IGNOU (2024-2027)

Diploma in Polytechnic Civil Engineering - SBTE Bihar (2020-2023)

Work Experience

Customer Support Executive - NSB BPO Services Pvt. Ltd., Noida (March 2025 -June 2025)

- Handled customer queries and provided technical support via calls and emails.
- Worked with internal teams to resolve issues and deliver customer satisfaction.

Teaching Assistant - Sr. Infinity School, Noida (Mar 2023 -Nov 2024)

- Assisted in teaching Math and Computer Science to school students.
- Created lesson plans, digital content, and conducted interactive classroom sessions.

Video Editor - Digital Polytechnic Classes, Online(Mar 2021 – Feb 2022)

- Edited lecture and tutorial videos for YouTube and internal learning platforms.
- Used Canva and other tools to enhance visuals, add transitions, and optimize for engagement.
